programme management is becoming an increasingly important aspect of managing business change whether within parts of an organisation across the whole organisation or involving a group of organisations the drivers for change may be internal such as improving the quality of products or external such as new government policy the second edition of this publication describes the ogc s approach for managing change effectively based upon best practice experience within government and across the private sector it provides an overview of the programme management framework and considers key principles including leadership benefits management stakeholder management and communication risk management programme planning and control business case management and quality management issues it then goes on to discuss the programme management lifecycle including the identification and detailed definition of the programme managing the project portfolio delivery and realisation of measurable business benefits and the close down of the programme and its infrastructure

commercial management theory and practice defines the role of commercial management within project oriented organisations providing a framework for and helping to develop a critical understanding of the factors that influence commercial management practice it also identifies generic aspects of this practice and provides a theoretical foundation to these activities by reference to existing and emergent theories and concepts as well as to relevant management best practice the book is structured into four parts part 1 introduction commercial management in project environments explores the nature of commercial practice within project oriented organisations at the buyer seller interface it presents a commercial management framework which illustrates the multiple interactions and connections between the purchaser s procurement cycle and a supplier s bidding and implementation

cycles additionally it outlines the principle activities undertaken by the commercial function identifies the skills and abilities that support these activities and reviews the theories and concepts that underpin commercial practice finally it identifies areas of commonality of practice with other functions found within project oriented organisations plus sources of potential conflict and misunderstanding part 2 elements of commercial theory and practice covers commercial leadership exploring strategy risk and uncertainty management financial decision making and key legal issues part 3 approaches to commercial practice addresses best practice management and commercial and contracting strategies and tactics finally part 4 case studies offers two extended case studies football stadia the millennium stadium cardiff the emirates stadium islington and wembley stadium london and heathrow terminal 5 the book provides a one stop shop to the many topics that underpin commercial management practice from both a demand buy side and a supply sell side perspective it will help develop an understanding of the issues influencing commercial management leadership strategy risk financial legal best practice management and commercial and contracting strategy and tactics this book s companion website is at wiley.com/go/lowecommercialmanagement and offers invaluable resources for both students and lecturers powerpoint slides for lecturers on each chapter sample exam questions for students to practice weblinks to key journals and relevant professional bodies

being an effective programme leader in higher education is a practical guide designed to help navigate the complex academic pastoral and administrative challenges that come with working in this position this book looks at topics such as leadership personal tutoring and academic and student support mechanisms from the unique perspective of the programme leader it gives suggestions for effective ways to lead a programme incorporates practical advice on some key leadership skills and offers proven strategies from across various contexts within the role vignettes which include descriptions of authentic situations provided by programme leaders sit alongside probing questions to prompt reflection for professional development this practical text is a must read for programme leaders working in higher education and provides the guidance necessary to help them create an environment that is inclusive caring compassionate and supportive

this timely handbook takes stock of the range of debates that characterise the field of international education and development and suggests key aspects of a research agenda for the next period it is deliberately divergent in its approach recognising the major ideological and epistemological divides that characterise a field that draws on many traditions leading and emergent voices from

different paradigms and contexts are afforded a space to be heard and each section puts current debates in larger historical contexts the handbook is divided in four parts and book ended by an introduction and a conclusion the latter oriented towards the implications that the volume has for future research agendas the first part explores major strands of debates about education s place in development theory the second acknowledges the disciplining of the field by the education for all movement and examines the place that learning and teaching and schools play in development part three looks beyond schools to consider early years adult and vocational education but focuses particularly on the return to thinking about higher education s role in development the final part considers the changing but still important role that international cooperation plays in shaping education in developing countries featuring over thirty chapters written by leading international and interdisciplinary scholars the routledge handbook of international education and development offers the first comprehensive and forward looking resource for students and scholars

in the ten years since this gower handbook was first published programme management has been transformed to become the vehicle of choice for realising the objectives of large scale complicated business government and social investment the second edition of this gower handbook is a completely new text designed as a definitive guide to the current state of programme management to that end the text offers foundation theory and knowledge around key issues such as managing programme contracts people and know how complexity and uncertainty benefits and success measures as well as every stage of the programme life cycle the main central section of the book provides theory tools advice and examples of practical application from an industry context and covers sectors including construction energy aerospace and defence it automotive and the public sector the handbook also includes a section with chapters on assessing and improving programme competences and developing maturity discrete chapters relate programme management to the international baselines and standards collectively the gower handbook of programme management is most comprehensive guide to the subject that you can buy

the oxford textbook violence prevention brings together an international team of experts to provide an extensive global account of the global mortality and morbidity burden caused by violence through examining the causes of violence and what can be done to prevent and reduce violence

this second edition of government at a glance almost doubles the number of available indicators and also offers two special

chapters one on leveraged governance and one the policy implications of fiscal consolidation

since 2003 the marco polo programmes have financed projects that shift freight transport from road to rail inland water ways and short sea shipping so as to reduce international road freight traffic improve the environmental performance of freight transport reduce congestion and increase road safety given the many weaknesses observed the court considers the programmes not to be effective they did not attain their output targets and had no impact in shifting freight off the roads there are no data to assess the expected benefits there were not enough project proposals the limited quantities reported shifted are uncertain many projects were of poor sustainability and would have started even without eu funding the court therefore suggests discontinuing the marco polo programmes and in order to strengthen performance in possible future transport service support schemes the court makes funding conditional upon a detailed ex ante assessment of the potential demand and only if such a potential exists prescribes clear rules and conditions to respect for future funding p 4 of cover

recoge i introduction ii economic developments and outlook iii programme implementation iv programme financing annexes

education at a glance is the authoritative source for information on the state of education around the world it provides data on the structure finances and performance of education systems across oecd countries and a number of partner economies the 2019 edition includes a focus on tertiary education with new indicators on tertiary completion rates doctoral graduates and their labour market outcomes and on tertiary admission systems as well as a dedicated chapter on the sustainable development goal 4
