we live in a broken world and the gospel is how god puts broken people back together again once we repent and believe in jesus god s spirit helps us recover and pursue his design god is the one who created the world and every human being in it authors jimmy scroggins and steve wright outline a reproducible method of sharing the gospel that has been tested in the real world turning everyday conversations into gospel conversations is a simple strategy to train new and seasoned believers to join god in his reconciliation work turning everyday conversations into gospel conversations equips believers to use the innovative 3 circles a user friendly evangelistic tool for a new generation scroggins and wright train readers to incorporate the biblical metanarrative as well as our own personal stories to tell the good news that jesus has made a way out of the broken places we find ourselves churches around the world are training people to share the gospel using this method it has proven appeal across generations and cultures they ve heard stories about an 8 year old boy leading his 26 year old cousin to repent and believe in jesus and a 70 plus year old church member who had never before shared his faith leading his spanish speaking neighbor to christ it s been used to train the mixtec in mexico maasai warriors in kenya and prisoners in america it s been presented on napkins in concrete in the sand and using tortillas the 3 circles work and this book will train you and your church members to use it it doesn t matter if you have been a christian for decades or days you can learn to do what god asks us to do to make his appeal to others through us 2 cor 5 20 this short training manual will empower and inspire millions of christians to turn hundreds of millions of everyday conversations into gospel conversations

church dialogues including official reports and debates within the general synod operate under the premise that canonical authority can shape a viable theology and coherent ecclesiastical and liturgical practices in a groundbreaking departure from conventional methodologies queering the church offers a rigorous examination of the hermeneutical frameworks that inform discussions on homosexuality within ecclesiastical governance

drawing inspiration from halberstam s concept of the queer art of failure doe advocates for a fundamental shift a move away from entrenched institutionalized debates toward a more inclusive deconstructive discourse rather than perpetuating cycles of authoritative rhetoric doe proposes a transformative realignment one that challenges traditional power dynamics and fosters a more equitable theological dialogue provocative and timely this book promises to illuminate new avenues toward a nuanced comprehension of church discourse

a short study of erastianism in the church of england covering the period from the norman conquest to the present day

conversations about racism are as important as they are hard for american christians yet the conversation often gets so ugly even among the faithful who claim unity in jesus why is that the case why does it matter can things get better or are we permanently divided in this honest and hopeful book pastor isaac adams doesn t just show you how to have the race conversation he begins it for you by offering a fictional racially charged tragedy in order to understand varying perspectives and responses he examines what is at stake if we ignore this conversation and why there s just as much at stake in how we have that discussion especially across color lines that is with people of another ethnicity this unique approach offers insight into how to listen to one another well and seek unity in christ looking to god s word christians can find wisdom to speak gracefully and truthfully about racism for the glory of god the good of their neighbors and the building up of the church some feel that the time for talking is over and that we ve heard all this before but given how polarized american society is becoming its churches not exempt fresh attention on the dysfunctional communication between ethnicities is more than warranted adams offers an invitation to faithfully combat the racism so many of us say we hate and maintain the unity so many of us say we want together we can learn to speak in such a way that we show a divided world a different world talking about race points to the starting line not the finish line when it comes to following jesus amid race relations it s high time to begin running

this volume explores how catholicism began and continues to open its doors to the wider world and to other confessions in embracing ecumenism thanks to the vision and legacy of the second vatican council it explores such themes as the twentieth century context preceding the council parallels between vatican ii and previous councils its distinctively pastoral character the legacy of the council in relation to issues such as church world dynamics as well as to ethics social justice economic activity several chapters discuss the role of women in the church before during and

since the council others discern inculturation in relation to vatican ii the book also contains a wide and original range of ecumenical considerations of the council including by and in relation to free church reformed orthodox and anglican perspectives finally it considers the council s ongoing promise and remaining challenges with regard to ecumenical issues including a groundbreaking essay on the future of ecumenical dialogue by cardinal walter kasper

originating in 1867 under the presidency of the archbishop of canterbury the lambeth conference has proactively shaped the modern world by influencing areas as diverse as the ecumenical movement post war international relations and the spiritual lives of hundreds of millions a team of distinguished scholars from around the world now detail the historical legacy theological meaning and pastoral purpose of the anglican communion s decennial councils the next lambeth conference will be crucial for the anglican communion which is currently afflicted by destructive tensions over matters long central to christian identity such as the nature of holy orders the definition of sexual morality and the scope of ecclesial authority whether in supplication or celebration both nurtured by diverse cultural contexts and furthered by the scope of ecumenical horizons these essays break new ground the lambeth conference is a faithful testament to generations past and a spur to the ongoing restoration of anglican theology and devotion in the present
